

# Purina® Organic Starter-Grower

Purina® Organic Starter-Grower feed is certified USDA Organic and is made with non-GMO ingredients. It contains the optimal combination of all the required nutrients chicks need to grow and develop into happy, healthy hens – no need to supplement.

Purina® Organic Starter-Grower is a complete feed for young laying chickens from hatch to laying age (18-20 weeks). Purina® Organic Starter-Grower feed will provide your birds with the proper levels of energy, protein (18%), vitamins and minerals that are perfect for a strong start and early hen development.

## **Certified USDA Organic**

Fulfills USDA requirements to guarantee the product is made without the use of pesticides, fertilizers, and genetically modified organisms (GMOs)

## **Essential amino acids**

Contains 18% protein and is enhanced with methionine to support muscle and skeletal development

## **Added marigold extract**

For brightly colored beaks and bright plumage

## **Optimal combination of vitamins and minerals**

Help chicks grow into healthy adult birds
