

# Purina® Start & Grow® Non-Medicated Crumbles

Chicks grow quickly, so a proper start is crucial. Purina® Start and Grow® Non-medicated Crumbles feed provides all the complete and balanced nutrition chicks need for a healthy start and a lifetime of success.

**Non-medicated** For chicks and pullets from day one through week 18 that have been vaccinated for coccidiosis.

## Chick Strong™ System feed

The optimal combination of required nutrients chicks need to start strong and grow at a proper pace.

## 18% Protein

For proper growth and bone development.

## Prebiotics and probiotics

Support digestive and immune health.

## Essential amino acids

Lysine and methionine support muscle and skeletal development.

## Calcium, phosphorus and trace minerals

Support bone strength.

## Vitamins like A and E

Support overall health and growth.

## Added marigold extract

For brightly colored beaks, feet, legs and overall appearance.

## FEEDING DIRECTIONS

Feed Purina® Start & Grow® Non-Medicated Premium Poultry Feed continuously as the sole ration from day-old until onset of egg production and then switch to Purina® Layena® or Layena®+ Premium Poultry Feed. Provide fresh clean water at all times.

## GUARANTEED ANALYSIS
