

Purina® Organic Layer Pellets or Crumbles

Purina® Organic Layer Pellets or Crumbles with the [Oyster Strong® System](#) provide a balanced and complete diet with 16% protein for feeding organic laying hens. This product has been certified organic by the USDA. It is made with non-GMO ingredients that have been grown without the use of pesticides and fertilizers. Our layer feeds include the Oyster Strong® System, which is an exclusive blend of oyster shell and key vitamins and minerals, like vitamin D and manganese, ensuring a supply of calcium will be available at night when your hens are forming eggs.

Purina® Organic Layer Feed is available in pellets or crumbles. Pellets and crumbles include the same nutrition, so choosing between the two is a personal preference. Pellets are a great way to limit feed waste.

- **FEATURES & BENEFITS**

Rich in antioxidants
