

Duck Grower Feed

Available in 40lb, 1/2 ton, and 1 ton

Purpose

Our Certified Organic, Soy-Free 19% Protein Duck Grower is a complete nutritional feed of cracked and milled grain that's supplemented with organic alfalfa, kelp, flaxseed, and Poultry Nutribalancer. Similar to our Poultry Grower/Broiler feeds, this formula is enhanced with higher niacin to help prevent growth deformities. Probiotics in the feed help improve digestive health to optimize nutrition. Made exclusively with North American Organic Grains.

Feeding Instructions

Feed free choice to ducklings after 2-3 weeks of age until desired slaughter weight or until egg laying age. Begin feeding New Country Organics Soy-Free Duck Layer Feed at first egg or 20 weeks of age. Provide clean, fresh water at all times.
